

## **Trimley Saints Players Report for 2024/2025**

My name is Richard Gifford, and I am the Chairman of Trimley Saints Players

Trimley Saints Players have been in existence for the last 43 years, and have been going from strength to strength. We are the largest user of the Memorial Hall, and will support it when called upon.

We normally put on a panto in February, and a play or musical in June, and are usually packed out, with much of the local community turning out. We raise enough money to donate about £2000 per year to local charities.

We have an extremely talented membership who can cover almost all types of theatre productions, and of which I and the committee are very proud.

Richard Gifford

Chairman
