

## Chairmans Report

September 2025

Brief outline of matters arising since July report

### **East Suffolk Disability information event**

Event taking place 9.30am until 12.30pm at

Woodbridge Community Centre, Station Road, IP12 4AU

Opportunity to learn more about services locally available. Free refreshments available

Event supported by East Suffolk Council / East Suffolk Disability Advice Service / Suffolk Coastal Disability Forum

Flyer sent to Carly for website etc. Minutes of latest meeting cascaded to Trimley St Martin Councillors

### **Network Rail**

a) Issue with health and safety due to traffic survey cable insufficiently secured. Initially NWR denied it was their problem. However following Cllrs Smart and Rastrick taking photographs to determine it was indeed NWR responsibility, plus permission via SCC was not sought, cable now removed before SCC carried out removal and charge NWR accordingly

b) Rail Bridge Trimley St Martin

Surface joints lifting in variety places - causing compromised Health and Safety. Reported to Carly together with photo

### **Bowls Club**

Liased with Carly ref Bowls Club enquiries on building works.

Requested Bowls chairman ensures all information on matters effecting bowls club during build of additional Hall is cascaded to Committee

### **Memorial Hall**

Management Committee meeting included ongoing problems with getting gas meter changed.
